"For the Benefit of All"

The Library of Innerpeffray

Events

Join us for a feast of music, talks, history
& more for 2016/17

Innerpeffray is delighted to present a variety of events throughout the year. These include the programme of FOIL Talks, run by the Friends of Innerpeffray Library, concerts, a winter season of talks as well as behind the scenes tours and other activities. These events highlight aspects of the collection, local history or other items of interest and help raise much needed funds to keep the Library going, and for particular projects.

All events can be booked using this form, through the Library, 01764 652819 : the FOIL talks can also be booked via their website www.friendsofinnerpeffraylibrary.com .where you can also find full details of all events. Join our mailing list to receive regular advance notice of events.

We hope you enjoy the programme and look forward to seeing you at the events.
